

Board Paper 2013.5

CPRsouth board member reviewing of paper proposals and full papers

All CPRsouth board members were requested to review research proposals and full papers as part of the conference paper selection process. Each board member was sent 9-10 paper proposals and 4-5 full papers to review. However some board members were not able to send the reviews on time. The below table depicts the completion of paper proposals and full paper review by board members.
