

Board Resolution by Circulation 2011.4

Appointment of Laurent Elder and Masatsugu Tsuji as the two judges of the best paper competition

Background:

Board resolution by circulation 2008.2 stated that the judging of the best paper will be done by two members of the board. However in order to preserve the impartiality of the best paper competition, the judges refrain from being a part of the review process.

Proposal:

Laurent Elder and Masatsugu Tsuji were not appointed as best paper judges in previous conferences. Therefore we propose to appoint them as the best paper judges for CPRsouth6

Decision: Appoint Laurent Elder and Masatsugu Tsuji as judges of the best paper competition
